COMMISSIONER FOR PATENTS

PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT

SIR:

Applicants received a Notice of Abandonment dated March 30, 2007 from the Patent and Trademark Office for failure to respond to the Office Letter mailed on 31 May 2006 for the above-identified application. However, as set forth below, the Office Letter was never received by Applicants. As such, Applicants were unaware that a response was due.

A search of the file jacket and docket records for the above-identified application clearly indicates that the Office Letter was never received by Applicants.

Attached as Exhibit A is a copy of the docket record for the above-identified application which is maintained in accordance with standard company policies and procedures. The "Docket History" section is customarily used to record all incoming and outgoing actions. As clearly shown, the last entry recorded prior to the Notice of Abandonment is the return-receipt postcard (PostCard Amendment) docketed back on 5/30/2006 for the amendment that was mailed on 5/19/2006. Customary practice would have required an entry for receipt of the Office Letter. Because such entry is not included in the attached docket record, Applicants hereby submit that such Office Letter was never received.

PT 970 (1/03)

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Mail Stop **PETITION**, Director of the US Patent and Trademark Office, PO Box 1450, Alexandria, VA 22313-1450, on April 10 2007. *Margaret Cardoso*

It should be noted that the "Current In/Out List" section in the attached Exhibit A is an automatic feature of Alcatel-Lucent's docket tool in which the expected due in and due out items are listed. For example, the "final response due" listed as being due "OUT" on 09/28/2006 is the automatically-entered final due date if necessary for a response to the Final Office Action of the filed patent application. Consequently, this section of the docket record is not used for recording the actual receipt or transmittal of papers for the application. Rather, as previously indicated, only the "Docket History" section is used for this latter purpose.

Because the Office Letter was never received, Applicants hereby respectfully request withdrawal of the Notice of Abandonment and further request the mailing of a new Office Letter to replace the one mailed on 31 May 2006.

In the event of non-payment or improper payment of a required fee, the Commissioner is authorized to charge or to credit **Deposit Account No. 12-2325** as required to correct the error.

Respectfully,

Martin I. Finston
Attorney for Applicant(s)
